**SCHOOL OF CHOICE TRANSPORTATION REQUEST FORM**

Bus services for out of district/school of choice students, will be provided within the following guidelines:

- To receive transportation services, this form must be completed and returned to the district as soon as possible.
- Availability of bus assignment will be determined by assessing the current student count on the bus routes.
- If available, a bus stop will be at a current existing stop location. In addition, students that attend a daycare within the school district may not be provided transportation to or from the daycare location, based on student counts.
- Fenton Area Public Schools will contact you with bus stop information.
- If the district has no approved transportation form on file, the student is not permitted to ride a bus.
